Group Self-Guided Tour

Your group will be warmly welcomed at the reception desk with a brief introduction and an orientation map of Miles Historical Village Museum. Step back in time as you explore this authentic turn-of-the-century village, featuring over 34 historic buildings and unique collections. Wander through a beautifully preserved streetscape where history comes to life. Enjoy specialist displays such as the Great Artesian Basin Centre, world-class Lapidary display, Shell House, and War Museum. We recommend allowing at least 1 hour to fully appreciate the rich history and diverse exhibits. For added convenience, request group catering menus when booking to include morning/afternoon teas or lunches.
