### Carnarvon Gorge Tour

Embark on a journey through time as we explore the magnificent Carnarvon Gorge, an ancient wonderland surrounded by towering sandstone cliffs that have stood the test of time for over 200 million years. Our walk will take us through the breathtaking landscape of the gorge, as we explore the winding paths and side-gorges that make this destination a must-see for any traveler.

As we traverse this stunning landscape, we'll uncover the fascinating stories behind the formation of the gorge and the ancient forces that shaped its awe-inspiring sandstone cliffs. Our team of passionate guides will bring these stories to life, transporting you back in time and immersing you in the rich history and culture of this remarkable area.

The Carnarvon Gorge is also home to a diverse range of flora and fauna that has survived for millions of years, making it a true oasis in the heart of Australia. With its crystal-clear springs and dense rainforests, the gorge offers a glimpse into a world that once existed long before human civilisation.

So why not take a step back in time and join us on a journey through this ancient wonderland? With its stunning natural beauty and rich history, the Carnarvon Gorge is a destination that you won't want to miss.

#### Whats Involved:

This tour is a scenic walk visiting the main sites of the Lower Section of Carnarvon Gorge. These include the Art Gallery, Ward's Canyon, Amphitheatre, and Moss Garden. Your guide will give you insight into the unique flora and fauna that call the Carnarvons their home.

#### Difficulty:

This tour involves about 14 creek crossings that require rock-hopping. Therefore, it requires hikers to have good balance to walk the track. The terrain is generally flat, with some stairs involved in accessing the 'side-gorges'. No need to be an experienced bushwalker! We will tailor the tour to your pace.

#### Meeting Point:

Carnarvon Gorge Visitors Center - Located at the end of the road into the Carnarvon Gorge Section of Carnarvon National Park.
